## **750CC & SXR 800R KAWASAKI COMPLETE HOT RODS CRANKSHAFTS**

Hot Rods' all new crankshaft for the popular Kawasaki 750 and 800 Jet Ski's is now in stock and ready to help you get back on the water. This all new complete crankshaft is the result of Hot Rods' continued commitment to providing the most reliable cranks and rods for you engine.

This new crankshaft is designed for all 22mm wrist pin Kawasaki 750 or 800cc engines from 1995-2006. Thus crankshaft will not fit the older 1992-1994 750sx with smaller 20mm wrist pins.

Of course - as with all Hot Rods' crankshafts - there is no core or exchange charge as the crankshafts come complete.
