5 Gallon Utility Jug
Part No. 3055-5

11 Gallon Utility Jug
Part No. 3011-11

NEW HUNSAKER UTILITY JUGS

These jugs are specifically design for on-the-go person. They dispense gas in 10 seconds or less. No time wasted when filling up with the Hunsaker quick-filling action. These Utility Jugs have CNC Billet Aluminum Caps, for trick look and durability. You can fill from either the vent side or the pour side. Excellent stability. They won t not tip over. Includes a nylon hose attachment for flexibility and they're U.S. Patented.
